

CV of Mr Wong Kee Yew

Mr Wong Kee Yew is a graduate of Bachelor of Biotechnology (Hons.) from Australia. He has been working in the life science research sector for 10 years. Given the background, he pays particular interest in preventive medicine and health science.

Kee Yew became a vegetarian since 2002 and he's ever since been collecting data and doing research on vegetarian nutrition on his personal capacity. In 2003, he started to volunteer for the Vegetarian Society of Singapore and in 2004 became an Executive Committee member of the society for 2.5 years. During the course of volunteering for the Vegetarian Society, Kee Yew was dedicated to organizing vegetarian social dinners, vegetarian exhibitions, health talks, organic educational bus tours, and other forms of public education for various organizations including interviews and cooking demos on Radio FM 95.8, FM 93.8, TV Channel U, Channel 8 in Singapore and Astro AEC in Malaysia.

Currently, Kee Yew focuses on giving talks to educate public on the proper concept of healthful vegetarianism and nutrition, as well as simple vegetarian cooking demo to entice people into taking more vegetables and less meat.
